Okmulgee, OK 74447

POSITION: RN-HOPE Unit-MCNMC
VACANCY ANNOUNCEMENT: CN-16-112

STARTING SALARY: Negotiable
CLOSING DATE: Open Until Filled

The Muscogee (Creek) Nation Department of Health (MCNDH) provides comprehensive health care services to Native Americans living within the Muscogee (Creek) Nation. MCNDH is an integrated system of six health centers, an Express Care Clinic, two hospitals, a physical rehabilitation center and nine comprehensive community health programs. Offering services across the lifespan including pediatrics, family medicine, nursing, dental, laboratory, radiology, pharmacy, behavioral health, emergency medical, audiology, nutrition, physical therapy and optometry.

DESCRIPTION OF ASSIGNMENT: The purpose of the position is to provide professional nursing services and support to the Muscogee (Creek) Nation Medical Center (MCNMC). The Registered Nurse will consistently display behavior that enhances the image of the health care system as evidenced by professional and courteous behavior toward all customers and co-workers. The RN is primarily responsible for the delivery of coordinated, clinical nursing care for geriatric patients on the inpatient psychiatric unit and/or Outpatient Program and for the day-to-day management of the related clinical activities.

REQUIREMENTS: Candidates must meet the following requirements:

Incumbent must be a current licensure as a Registered Nurse in good standing with the State of Oklahoma. One year of relevant experience. Current BLS, and ACLS certification.

EVALUATION METHODS: Applicants who meet the requirements described above will be evaluated to determine the extent to which they possess or have the potential to acquire knowledge, skills, abilities and personal characteristics, (KSAP's) required of this position. Applicants should address the following KSAP's on a separate attachment to their application.

1. Professional knowledge of nursing principles, TQM ethics, practices and processes required to assess nursing needs of patients.
2. Knowledge and competent in providing and modeling educational group/individual/milieu therapy and a structured treatment program.
3. Knowledge of a wide variety of medical disorders, normal course of diseases, potential complications and individual therapeutic interventions.
4. Knowledge of pharmaceuticals, their desired effects, side effects and complications of their use.
5. Ability to recognize and react to emergency situations.
6. Knowledge and skill in operation and monitoring of general nursing equipment; e.g. infusion pumps, defibrillators, arrhythmia monitors, etc.
7. Ability to develop, implement and evaluate a patient care plan to meet the need of assigned patients.
8. The ability to respond quickly and accurately to change in patient and or unit conditions.

APPLICATION PROCEDURES: Apply online at [Department of Health Application](#). (Current employees must use a transfer request form available on the intranet home page under forms). The KSAP's as outlined in the Evaluation Methods section should be addressed, but are not required. For further information call Jeremy Smith at (918) 732-7828. The Department of Health is an Equal Opportunity Employer; however, Indian Preference will be applied in the case of equally qualified applicants.
